

# Poster Sessions and Research

Deploy memorable & professional looking poster sessions quickly and easily.

## CORE FEATURES

- ✓ Execute world-class online poster sessions without technical/coding knowledge or reliance on other departments.
- ✓ Provide students with secure accounts to manage their own online poster showcase.
- ✓ Poster showcases can include poster, supporting documents and media, images, key links, and more.
- ✓ So easy, you can create meaningful poster sessions experiences for targeted demographics
- ✓ Enable communication and networking through live video (Zoom, Teams, etc), chat, comments, email, and more.
- ✓ Easily works in online only, or hybrid capacity. Include information sessions, Q&As, workshops, keynotes, and more.
- ✓ Hosting, scaling, training, and technical support included. Accessible and mobile friendly
- ✓ Leverage analytics to understand what matters to attendees and make key improvements

## VALUE PRICING

- ✓ Premium sessions start at only \$499 for up to 50 posters. \$10 for each additional poster.
- ✓ **Premium Sessions Include:**
  - (1) Customize the header image on your poster session
  - (2) Add up to 10 additional rooms for better poster segmentation and enable a poster session Lobby
  - (3) Customize poster order and unlock additional layout options.
  - (4) Additional access protections (password protection, pre-approved emails, and more)
  - (5) Space to display sponsors
  - (6) Priority Student Email Support
  - (7) Welcome and set up call with Acadiate experts who guide you through best practices for your poster session.
- ✓ **Enterprise pricing also available**
