

Student Club Hubs

Improve student club showcasing and accessibility, to drive increased engagement and membership.

CORE FEATURES

- ✓ Execute world-class online club hubs without technical/coding knowledge or reliance on other departments.
- ✓ Provide clubs with secure accounts to manage their own online club showcase.
- ✓ Club showcases can include poster, supporting documents and media, images, key links, and more.
- ✓ Increase engagement and community for key demographics (under-represented groups like BIPOC, 2SLGBTQ+, persons with disabilities, women in sciences, etc)
- ✓ Enable communication and networking through live video (Zoom, Teams, etc), chat, comments, email, meeting schedulers, and more.
- ✓ Can easily work online only, or in a hybrid capacity. Include information sessions, Q&As, workshops, keynotes, and more.
- ✓ Hosting, scaling, training, and technical support included. Accessible and mobile friendly
- ✓ Leverage analytics to understand what matters to attendees and make key improvements

VALUE PRICING

- ✓ Pricing starts at only \$999
- ✓ Enterprise pricing also available
