

Student Support Initiatives

Become more responsive to the support needs of your students by building out more relevant and effective student support experiences.

CORE FEATURES

- ✓ Execute timely and relevant student support experiences without technical/coding knowledge or reliance on other departments.
- ✓ Create support experiences that include documents, media, images, key links, and more.
- ✓ Increase support for key demographics (BIPOC, 2SLGBTQ+, persons with disabilities, students struggling with mental health, etc)
- ✓ Enable communication through live video (Zoom, Teams, etc), chat, comments, email, meeting schedulers, and more.
- ✓ Include information sessions, Q&As, workshops, keynotes, and more on key topics like stress and anxiety, sleep, time management, loneliness, low self-esteem, dealing with trauma, and more.
- ✓ Hosting, scaling, training, and technical support included. Accessible and mobile friendly.
- ✓ Leverage analytics to understand where students are struggling

VALUE PRICING

- ✓ Pricing starts at only \$499
- ✓ Enterprise pricing also available
